5. It was decided to follow up the initial contact with planning consultants in order to get ballpark quotes for producing planning policies based on the policy framework (yet to be finalised). MH advised that he had a contact that he could approach.

MH

6. There followed a discussion regarding including affordable housing in the Neighbourhood Plan. It was suggested that any developer would seek to build at least 50 regular properties before considering the inclusion of affordable housing. It is unlikely that a developer would agree to build only affordable housing as it would be economically unviable for them. It was agreed to put this to the public at the next public meeting gauge opinion on village expansion for the gain of affordable housing. MH to contact Laura Atkinson of RCCE for advice on next steps.

MH

7. Stakeholders - local businesses - one response had been received from local businesses. DW to forward letter to MH for distribution to business contacts.
